NOTES:

1. Happy First Rehearsal!
2. Tomorrow, R. Frieders will be in taking Media Photos.
3. Due to the inclusive nature of our programming, we do have several young cast members who may be a bit more physically fragile than others. ***It is very important that all students understand that there can be ABSOLUTELY NO PUSHING, PINCHING, HITTING, PUNCHING, OR ANY PHYSICALLY AGGRESSIVE BEHAVIOR OF ANY KIND.*** We know this is a great group of kiddos, but we want to make it clear that even physical "rough housing" that is meant to be playful can be harmful to some children. ***This must be a ZERO TOLERANCE rule***, as a child getting pushed could end up with them going to the hospital. Please help us with this important rule by speaking with your child or children about this prior to our First Rehearsal.

Thank you!
